Quote of the Month

“It is necessary for the welfare of the nation that men’s lives be based on the principles of the Bible. No man, educated or uneducated, can afford to be ignorant of the Bible.”

-Theodore Roosevelt (1858-1919)
26th President of the United States

Do not be eager to find that which is wrong in someone’s life, but find the good. Be an encouragement to someone. God puts great value in the uplifting of His saints!

GEORGIA BAPTIST CHILDREN’S HOME

We ask each district to take the last month of their quarter to take up gallon and quart cans of food, dry food, paper goods, and Walmart gift cards to be given to the Children’s Home. We hope to set an example for other Baptist Associations to follow so that they might take a different month of each quarter to do the same. This could be a great project for our WMU or Women’s Missions Departments. Following is the districts and months that we ask those churches to take up the food. We thank each church that participated that make up District 3.

Families

October the 6, from 9:00am—Noon will have our first associational Family conference. Rev. John Burnett, who is a Consultant in the Discipleship and Family Ministries of the Georgia Baptist Convention will teach his specialty which is family ministry. The course is free. However, there will be a \$14.00 dollar fee for the book he will use. The Book is *The Five Love Languages*, written by Gary Chapman. This course has been well received throughout the Georgia Baptist Convention. Please announce this in your church and try to enlist as many married couples as you can to attend. This will be a great course for those who are dating too.

SENIOR ADULTS

Starting in January the Senior Adults will meet every first Friday of the month. They will start with a time of inspiration, then a meal. After this they will have someone from the hospital, Baptist Village, or Baptist Foundation to speak for about 15 –20 minutes on topics that will be of interest to seniors. After this will be activity time in which they will **next column**
